Department of Health Care Services Children's Medical Services Network (CMS Net) - Information Bulletin #399

CMS Web URL Changes

The CMS Net applications will be down from 5:00 p.m., Friday, June 22nd until 5:00 p.m., Saturday, June 23rd to upgrade the database servers from Caché 5.0 to Caché 2010.2.6 version.

As part of this upgrade release the URL for the **production** web environment will change as follows, effective **Saturday June 23, 2012**:

<https://cms.cahwnet.gov/CMS/login.jsp>

As part of this upgrade release the URL for the **training** web environment will be as follows:

https://cmstrnw.cahwnet.gov/CMS_TT/login.jsp

Please ensure to update your shortcuts and/or favorites to point to the above URL. The old URL will be available until July 15, 2012 and redirect you to the new URL listed above.

Please contact the CMS Net Help desk at cmshelp@dhcs.ca.gov if you have questions regarding the URL changes.
